**Re: Public Service Commission of South Carolina – Administrative and
Procedural Matters
Docket Number: 2005-83-A**

**Annual Review of Base Rates for Fuel Costs of Duke Energy Progress, LLC
(For Potential Increase or Decrease in Fuel Adjustment or Gas Adjustment)
Docket Number: 2021-1-E**

Dear Ms. Boyd:

Enclosed for filing in the above-referenced dockets, please find the Petition for Reconsideration of Procedural Schedule on behalf of Duke Energy Carolinas, LLC and Duke Energy Progress, LLC (the “Companies”). The Companies respectfully request that the Commission reconsider the procedural schedule issued via Commission Directive in Docket No. 2005-83-A on October 28, 2020, pertaining to the Companies’ annual fuel proceedings. Specifically, the Companies request that the procedural schedule be modified to extend the time frame between the deadline for submission of surrebuttal testimony and the date of the hearing so that the Companies have sufficient time to review and prepare a meaningful response to surrebuttal testimony.

The Companies are also filing a copy of this Petition in Docket No. 2021-1-E because the procedural schedule issued in that matter was set pursuant to the Commission’s Directive for which the Companies are seeking reconsideration.
